Figure 45

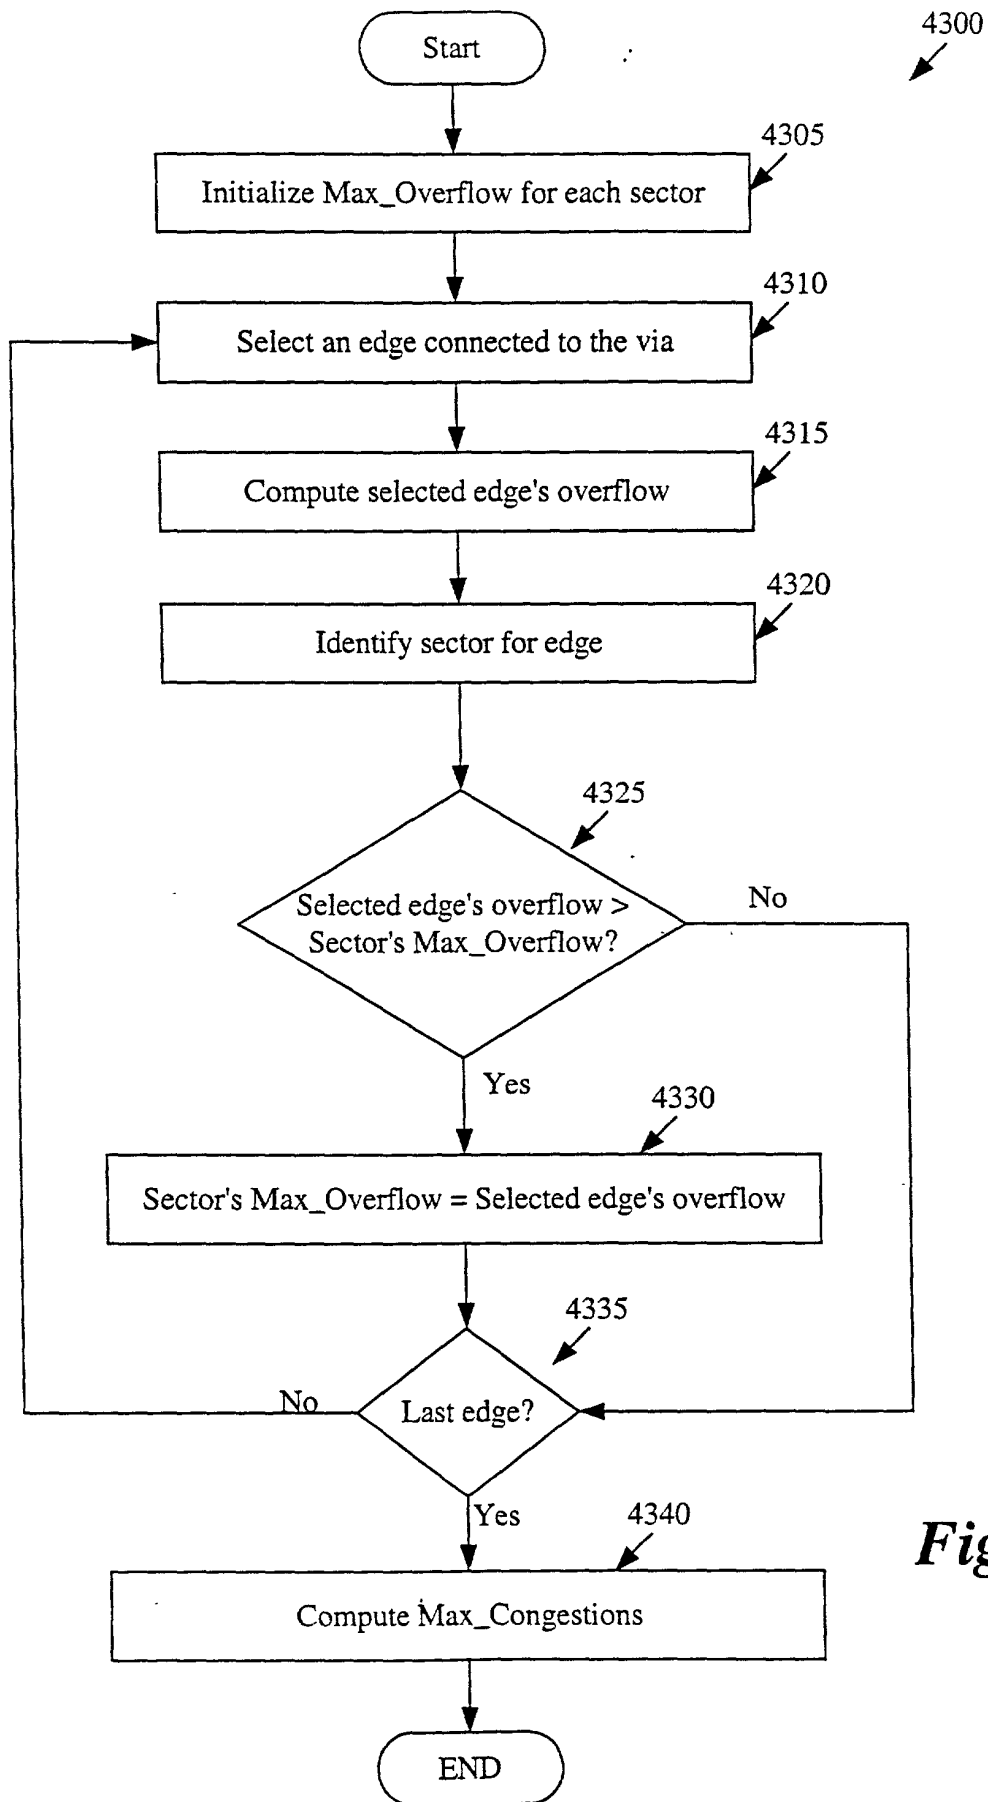

Figure 43

A hand-drawn diagram of a building layout, enclosed in a rectangular frame. The layout consists of two main rooms. The room on the left is labeled '4710' and contains a square representing a table. The room on the right is labeled '4105' and also contains a square representing a table. The diagram is drawn with black lines on a white background. The labels '4710' and '4105' are written in a handwritten style. The squares representing tables are also drawn with black lines. The overall shape of the building is irregular, with a jagged boundary on the right side.

Figure 49A

Figure 49B

Figure 49C

A hand-drawn diagram on a rectangular grid. A diagonal path, composed of several connected line segments, runs from the top-left corner towards the bottom-right corner. Two squares are drawn: one on the left side of the path and one on the right side. A curved arrow points from the top-right corner towards the path, with the number '5000' written next to it. The path itself has several small arrows indicating a direction of flow or movement along its length.
